

LOCAL.

Miss Nell Leland and brother, Paul, went to Chattanooga Saturday.

Born to Mr. and Mrs. A. J. Ellis Monday, a fine boy who looks just like his dad.

W. E. McCurry, the prominent attorney of Whitwell, was at County Court Monday.

J. J. Dykes, of Whitwell, attended County Court Monday. He is doing good service in the interest of the roads of Marion.

Thomas Wilkins, Jasper, an old friend of the News, orders us to send him a dollar's worth of the News, which carries him eight months.

W. A. Billingsley, Route 2, Whitwell, was in Jasper, Monday, and took occasion to remind the News man that he wanted the paper continued to him.

E. Harned, Jasper, orders the News sent to him for a year and does not flinch at the \$1.50 rate. He will get it regularly for a year—if we can get the paper to print it on.

Wm. Ford went to Chattanooga Monday to see his brother, James Ford, of near So. Pittsburg, who has been very seriously ill in a Chattanooga hospital, having been operated on nearly two weeks ago for appendicitis and other troubles.

Ben Parker, of the East Side, was here yesterday. He has been doing a lot in real estate recently, selling his place, buying another, and taking his place back again.

Dr. O. F. McNabb, of Whitwell, was in Jasper Monday to appear before the county court and explain the small-pox situation. He raised a racket because the News was not coming his way, an error having occurred in getting his name on list.

L. L. Lasater, Sequachee, very promptly pays his subscription to the News this week. One-fifty doesn't bother him. He gets \$6 a day, hauling, but gets \$2 value. We get \$1.50 for the News, and get 50c value, which is exactly where we were twenty years ago.

F. M. McCullough, Jasper, decides to pay his subscription for 1920, before it is due, and so comes across with the \$1.50 the gorgeous Wilson times demands. We intend to keep this journal going as long as we can buy paper, and friend McCullough seems anxious to help us in the work.

Pale Children Need Gude's Pepto-Mangan

Unnatural for Children to be
Pale and Thin—Paleness
a Sign of Thin, Watery
Blood.

Make Rich, Red Blood

Prepared in Liquid and Tablet
Form—Both Possess Identical
Medicinal Qualities.

It is necessary for boys and girls to laugh, romp, play, and enjoy themselves, for it is at that stage of life that the foundation is laid for future health.

Prompt attention should be given to the child who seldom laughs, whose physical condition prevents playing like the other children, whose appetite is poor, and who tires easily.

If the lassitude is due to poor blood, which is often the case, a simple, safe and pleasant remedy is within easy reach. Gude's Pepto-Mangan is just the tonic for pale, thin children. Gude's Pepto-Mangan is just the tonic for pale, thin children. Gude's Pepto-Mangan is just the tonic for pale, thin children. Gude's Pepto-Mangan contains the very ingredients that increase and enrich the blood, enabling it to supply the entire body with the sorely-needed vigor, strength and vitality that make happy, romping children.

For the convenience of the public, Gude's Pepto-Mangan is prepared in tablet as well as liquid form. Both forms possess exactly the same medicinal properties.

When you ask the druggist for Pepto-Mangan, look for the name "Gude's" on the package. If it is not there it is not Pepto-Mangan. (Advertisement)

CHAIRMAN WOODFIN ISSUES CALL

Dr. Wooley of Nashville, to Deliver Address at Jasper Monday, Jan. 12, in Interest of Anti-Saloon Movement.

To the Anti-Saloon Forces of Marion County:

As chairman of the Anti-Saloon Committee of Marion County, I hereby call a meeting, not only of my executive committee, but of every man, woman and child in the county, who believe in the extension of the temperance movement throughout the nation, and even across the waters, to be held at the courthouse in Jasper Monday, Jan. 12, at 10 o'clock p. m. This will be the initial meeting of the committee, and it is hoped every committeeman will be present.

Dr. Wooley, one of the most forceful speakers in the state, will be present at this meeting to deliver an address, and as we are very anxious to arouse the enthusiasm of the temperance forces of old Marion, we urge everyone who feels so disposed, to come and hear him.

For the information of those who possibly have not informed themselves as to the purpose of this campaign on the part of the temperance forces of Tennessee, we will say that a movement is on foot to raise a sum of money in the state and that Marion's quota of this is \$1,000. The drive begins Jan. 16 and ends Jan. 23. The money is to be used to further the temperance cause throughout the land.

Is the prohibition question settled?

Let us see if it is. Massachusetts and Rhode Island have both gone on record as favoring 4 per cent. beer. Wisconsin has declared for 2½ per cent. beer. New Jersey has elected a governor on the issue of nullification of the eighteenth amendment to the constitution, judges in Kentucky, Louisiana, Missouri and Rhode Island have enjoined the enforcement of war-time prohibition, and there are other such examples.

The fight is not over, so if you are opposed to the open saloon, meet with the forces at Jasper next Monday.

ROY M. WOODFIN,
Chairman.

D. A. Smith, Monteagle, Tenn., orders the News for one year. Mr. Smith was in Jasper recently and asked a gentleman what was the newest paper in Marion, and was referred to the News. He especially wanted personal mention of people up and down the valley, and it is up to the correspondents to satisfy him.

ON WHICH SIDE ARE YOU?

PROHIBITION WILL BE ENFORCED.

That is as certain as the doom of the liquor traffic.

BUT IT WILL NOT ENFORCE ITSELF.

It will not be enforced by lax officials, elected by the vote of the "bootlegger."

SUPPORT CANDIDATES WHO STAND FOR LAW ENFORCEMENT.

The fight against the licensed barroom has been won.

it must be followed up.

THE LAW OF THE LAND MUST BE OBEYED.

To assist in enforcing Prohibition there will be a week's campaign for funds, beginning January 16, the day the Eighteenth Amendment becomes effective.

LET'S MAKE IT A RED LETTER WEEK IN THE BATTLE FOR NATIONAL AND WORLD FREEDOM FROM RUM.
